

TEXAS FORMS MANUAL

a guide for real estate and title documentation

If you haven't purchased our manual, call today!
See why so many Texas title companies
find this publication so helpful.

This extremely practical volume has proven invaluable in fulfilling the Texas real estate practitioner's needs. The 8½ x 11, loose-leaf volume contains the documents most commonly used to handle a real estate transaction in Texas – all the way to the closing at the title company. The guide is organized to provide an initial checklist to assist you and your staff in assembling all the necessary documents.

Available in two formats: Diskette or CD ROM.

Compiled, edited and maintained by fellow TLTA members:
