"No matter what prior leadership roles you've held, nothing truly prepares you for the unique challenges of being TLTA President," said Rodney Anderson. "Paul Rodriguez served as an exemplary role model during his tenure as TLTA President and as Immediate Past President. His skill and effectiveness in managing meetings, ensuring all voices were heard, is unparalleled and his influence on me, especially as I transitioned from President-Elect to President, was profound. He has been a gracious mentor, and for that, I am truly grateful."

Rodriguez's contributions extend far beyond his presidency. As a member of the TLTA PAC Board of Trustees and one of TLTA's Local Legislative Liaisons, he has been instrumental in maintaining effective communication with lawmakers overseeing Texas' regulated title insurance industry. His dedication and expertise have made a lasting impact on the association and the industry at large.

The James H. Garst President's Award commemorates the legacy of Jim Garst, a TLTA Past President whose remarkable contributions set a high standard for industry service. TLTA is proud to celebrate Paul Rodriguez's contributions and congratulates him on this well-deserved accolade.
