

# HIGHLIGHTS FROM A SUCCESSFUL YEAR 2022-2023

## PRIORITIES THIS YEAR

- Responding to market changes and planning for the future
- Advocating for industry priorities at Texas Legislature
- Working with TDI to update and modernize Basic Manual
- Addressing latest fraud crisis with special task force
- Promoting the value of title insurance in all transactions

## NEW INITIATIVES AND ONGOING OUTREACH EFFORTS

- Researching feasibility of community college certificate program
- Expanding our leadership academy to grow future industry leaders
- Diversifying our TLTA volunteer ranks to reflect who we are and who we serve
- Growing and maintaining relationships with our related industry partners

## WE'RE STRONGER THAN EVER

*A growing community of committed partners working together*

### Strength In Numbers

- 85 new company members joined this year.
- Now representing more than 16,000 title professionals across the state.

### Volunteers Lead Our Way

400+ active, dedicated volunteers serving on boards, committees, and task forces, and working as instructors and subject matter experts for educational programs, advocacy, and more.

## PROTECTING AND ADVOCATING FOR OUR INDUSTRY

*From the Texas Capitol to the halls of Congress*

### Texas Legislature

Our industry advocacy team kicked off the 88th Legislative Session with 164 TLTA members attending Day at Capitol, where we visited nearly all legislative offices. Throughout the Session we monitored or actively engaged hundreds of bills, and we passed 100% of our legislative agenda.

### TDI

We're preparing to submit extensive basic manual changes to TDI for consideration. This effort is led by TLTA's Regulatory Committee chaired by Roland Love.

### Federal

TLTA members travelled to D.C. to ALTA's Advocacy Summit, where we met with Texas' congressional delegation to express our concerns regarding unregulated title insurance products.

### Marketplace

New Seller Impersonation Fraud Task Force, chaired by David Tandy, was established this year and produced three educational programs, developed best practices for the industry and partnered with the Texas Real Estate Commission and Texas Realtors to educate realtors on how they can spot and prevent these fraudulent sales.

## THE LEADER IN INDUSTRY EDUCATION

TLTA continues to lead the way in providing comprehensive education for title professionals.

- 131 CE Hours offered
- 13,274 participants in live and on-demand programs
- A library of more than 80 specialized on-demand programs available 24/7
