Other Bills With Official TLTA Positions

	TLTA Board Position	Bill #	Author Name	Relating Clause	Companion Bill #	Companion Author	Notes
	Neutral	SB 30	West, et al	Relating to the removal of certain discriminatory restrictions and provisions from certain real property records.	N/A	N/A	TLTA will maintain a neutral position on the various bills designed to redress the existence of racial covenants in the real property record. TLTA's legislative team will seek to mitigate unintended consequences where possible
	Neutral	HB 654	Lucio III, et al	Relating to the rule against perpetuities	SB 1377	Johnson, et al	Passed by House. Awaiting committee hearing in Senate
	Neutral	HB 2240	Smithee	Relating to the disbursement of funds from a trust fund account by a title insurance company, title insurance agent, or escrow officer.	SB 1958	Creighton	TLTA will maintain a neutral position on this bill related to change in the definition of good funds, as long as the committee substitute contains key features agreed to by stakeholders. The committee substitute that was adopted addresses our industry's concerns, although there is some further language tweaking to take place later in the process. On House local calendar.
	Neutral	HB 1679	Romero, Jr.	Relating to the survival of a mechanic's retainage lien after the foreclosure of a lien securing a construction loan	N/A	N/A	TLTA will maintain a neutral position on this bill, which provides that a mechanic's lien can survive a foreclosure up to the retainage amount. Left pending by House B&I Committee
	Oppose	HB 2825	Bonnen, et al	Relating to certain transactions involving real property located near military bases	N/A	N/A	Would require title companies to keep current information on zoning status of properties within 25 miles of military installations in Texas, check buyer's names and company ownership against a designated list, and inform the seller that a buyer's name or company matches this list of a "scrutinized company" or otherwise flagged individuals. This would represent a departure from the neutral third-party status of title professionals and would create enormous costs for the industry. Left pending in House Defense and Veterans' Affairs Committee
